

Help the Children

Dear Friends and Supporters,

On behalf of Help the Children, I would like to thank you for your amazing support and partnership with us in our mission to help the needy.

For more than 23 years, we have distributed over **One Billion Dollars** worth of food, clothing, humanitarian and medical supplies to families locally, across the USA, and around the world.

With great sadness, at the end of 2021, our operations at Help the Children will be ending in large part due to the COVID-19 pandemic and the decrease in charitable donations.

Though the ending of our mission is unfortunate, we remain blessed and honored to have helped so many in their time of need.

Thank you again for supporting Help the Children and being a part of our mission. None of this would have been possible without your prayers and generous support.

May God bless you.

With a grateful heart,
